## Weekly Update #31

### THIS WEEK'S HIGHLIGHTS

Reading Comprehension: This week, students reflected on what they learned from reading the *Feel the Wind*. They planned and wrote their informative paragraph about Hurricane.

Letters and Sounds: This week, students reviewed silent 'e' at the end of a bunch of words. They also took unit II FUNdational Skills Assessment.

Math: This week, We put shapes together to make other shapes. For example: two triangles = a rhombus. Please check your child's Friday Folder for a copy of this week's Math Newsletter with activities you can do at home to support your child's learning.

Social Studies: Students learned that:  
**Goods** are things people make or use to satisfy their needs or wants.  
**Services**—are things people do for other people to satisfy people's needs and wants.
